GOALS & SPECIAL REQUESTS

Training Add-On (\$75 per stay, added to the boarding fee; boarding only). As a dog behavior coach, I'll work with your dog on **one main focus** during their stay. Please check the one area that matters most to you:

- | | |
|--|---|
| ☐ Hyper behavior & calming down: learning to slow down, take a calm break and settle on a bed or mat | ☐ Sound & touch sensitivity: slowly getting used to noises like thunder, fireworks, doorbells and vacuums, plus grooming tools, nail trims and being handled (paws, ears, all over) |
| ☐ Fears & anxiety: easing everyday nervousness and building confidence around new people, dogs, objects or places | ☐ Jumping, mouthing & mounting |
| ☐ Barking & reactivity: barking, lunging or overreacting at other dogs, people or things on walks | ☐ Resource guarding: guarding food, bones, toys, beds or other spaces |
| ☐ Territorial behavior: overreacting at the door, window, fence or yard, or toward visitors | ☐ Leash manners & chasing: pulling, and lunging after squirrels, rabbits, cats or other animals on walks |
| ☐ Crate training & separation stress: learning to relax in a crate (all boarding dogs use one) and feel okay being alone | ☐ Other: _____ |

At pickup, I'll show you what we worked on and how to keep it going at home. If your dog needs help with more than one area, ask me about **Structured Training. Add training?** ☐ Yes ☐ No
